Formal request for admission as affiliate CED member

Dear Mr. President,
Dear Council members,
Dear Delegates of the General Meeting,

With the recent change of the CED Statutes and the Internal Rules it is now possible to become an affiliate member of CED.

The Swiss Dental Association therefore deposits its formal request for admission as an affiliate member of the Council of European Dentists as of 1st January 2019. Delegates from Switzerland have participated for many years in the meetings of CED in an observer status and would now like to contribute to the work of CED in a more active way.

We hope that the General Meeting of 16th November 2018 will decide positively on our request.

Please accept our best regards.
