**Subject:** Dr. Henk Donker as candidate for the position of Director of the Council of European Dentists (CED)

Dear Sir/Madam,

KNMT is delighted to present Dr. Henk Donker as candidate for the position of Director of the Council of European Dentists (CED).

Henk Donker has been Vice-Chairman and Treasurer to the Royal Dutch Dental Association (Koninklijke Nederlandse Maatschappij tot bevordering der Tandheelkunde, hereinafter KNMT) since 2016. Being a KNMT board member, he is in particular entrusted with the implementation of KNMT's International policy, which includes maintaining all international contacts and participating in the various international consultations. Since 2016, he has also acted as delegate on KNMT's behalf in the General Meeting of the CED and as Chairman of the CED Oral Health working group.

As evident from his CV, Henk Donker is a highly experienced director with broad experience in national and international organisations, both within and outside the dentistry sector. He has profound and in-depth knowledge of the issues that are key to the dentistry sector and is known for his proactive approach.

On top of that, he has excellent interpersonal/communication skills which makes Henk Donker a particularly suitable candidate for a position on the board of the CED.

Yours sincerely,
