COUNCIL OF EUROPEAN DENTISTS

Avenue de la Renaissance, 1
B - 1000 BRUXELLES

Dear Colleagues,

I am pleased to inform that ANDI National Board has unanimously decided to endorse the candidature of Dr. Marco Landi for the position of President of the CED.

The intense work Dr. Landi has done in the CED Board and namely during the last mandate as President, his longtime knowledge of European political bodies, as well as his experience of the various professional issues will be of great significance in leading and serving the CED again.

ANDI believes that the steady and continuous commitment Dr. Marco Landi will secure in his mandate, guarantees the continuation of the excellent activity the CED has already developed for the defense and improvement of the dental profession in Europe.

The ANDI Board strongly believes that Dr. Marco Landi will give a great support to the European professional policies and to achieve the CED objectives, and I am honored to support his candidature for the election to be held during the CED General Meeting on November 16th, 2018.

Yours sincerely,

Il Presidente Nazionale
(Dr. Carlo Ghirlanda)
