Dear friends and colleagues,

My organisation "Les Chirugiens-Dentistes de France" (Les CDF) is honoured and pleased to support Dr. Charlotte Heuze's candidacy for the position of director on the Council of European Dentists. Through her professional career and commitment, Dr. Heuze embodies the values of excellence, innovation, and dedication.

Doctor of dental surgery since 2002, Dr. Heuze practices privately in Lyon, where she has successfully combined clinical practice with institutional commitment. Her expertise is reinforced by a Master's degree in Public Health, with a specialization in Oral Health, as well as her experience as a former University Hospital Assistant in Public Health, Epidemiology, and Health Economics at the Faculty of Odontology of Lyon 1.

Her commitment also extends to representing healthcare professionals as a representative of the Regional Union of Healthcare Professionals of Dental Surgeons in the Auvergne-Rhône-Alpes region and as a member of the Board of Directors of the union "Les Chirugiens-Dentistes de France".

Since 2022, she has been a member of the E-Health working group and the CED Board of Directors, where she has already demonstrated her ability to actively participate in strategic discussions and promote the interests of the profession at the European level. Her international profile, reinforced by her fluency in Italian and English, as well as her forward-looking vision of public health and digital transformation issues, make Dr. Heuze an ideal candidate to represent and enrich the work of the CED. We are confident that Dr. Charlotte Heuze will continue to make a valuable contribution to the CED, both through her expertise and her commitment to the continuous improvement of dental practices in Europe.
