Dear Mr. President of CED,

With this letter, I inform you that on 17.01.2026, an extraordinary meeting of the BgDA Management Board was held, at which the critical situation regarding the financial situation of the BgDA in 2026 and the resulting actions to control this process were discussed.

In this regard, I inform you of the following:

1. The BgDA Management Board decided not to terminate its membership in CED.
2. Given the difficult financial situation, we request the CED Board to deferred the payment of the membership fee, if the CED Constitution allows this.

In connection with the above, please, consider the letter sent on 11.12.2025 by the President of the BgDA, Dr. Borislav Milanov, to terminate the membership of the BgDA in CED as invalid.

Kind regards,

Dr. Borislav Milanov
